

Hi, I'm Crawford Loritts with a Legacy Moment.

I heard a story about an elderly couple who lived on a farm in the Midwest. George and Ann had been married for more than fifty years. They loved each other dearly and were very affectionate. They held hands and gazed in each other's eyes. Well, Ann's health began to fail. George dutifully cared for her, but eventually she had to be placed in a nursing home in town. So George would visit his sweetheart every day, without fail. And when his license was taken away because of some accidents he had, he still managed to visit his wife daily. George fired up the tractor, and he drove the few miles from the farm to the nursing home to see his bride. Now that's what I call faithfulness!

What a tremendous picture of God's faithfulness to us. Like George, God always shows up. I suppose the illustration breaks down because eventually George would pass away. But God is eternal. His health never fails. God never stops being reliable. God never stops being dependable. God's faithfulness is driven by His love.

Listen to these incredible words in First Corinthians chapter 1, verse 9. "God is faithful, through whom you were called into fellowship with His Son, Jesus Christ our Lord." Boy, that summarizes all there is about God, that He is perfectly, flawlessly faithful. God is utterly trustworthy. Because we are in partnership, or “fellowship” with His Son Jesus Christ, we have God's permanent presence. All of His resources are at our disposal. He is with us permanently, every step of the way. We're not without options. The faithful God of the universe is with us!

Here's what I want you to remember today. God always shows up and brings everything He has with Him. No matter how unpredictable things may be for you right now, you can count on God. He's faithful.
