**Last call to air this Moody Radio Special Live on Saturday,  
August 30 | 3 pm CDT**

In America, expressing your faith in Christ often means going to battle for your beliefs—legally and spiritually.

Consider these stories of religious conviction that lead to open conflict and even legal action. Examples of persecution just for living a life based on Christian beliefs. How *could* we respond? How *should* we respond?

Moody Radio is excited to announce a new special, *Battle Lines for Believers—Help for Christians Under Siege*.

This 54-minute special program will air this Saturday, August 30 at 3 pm CT on Moody-1, featuring attorney David Gibbs as he explores four critical battle grounds believers face today while living out their faith in a world increasingly hostile to Christianity. The special is also available via FTP download.

As the founder of the Christian Law Association, David arms believers with his legal expertise through eight dramatic vignettes. This presentation offers practical, real-world advice regarding what to do when rights as believers are challenged or even threatened.

***Overwhelmed Mom* by Jamie Erickson**

Check out a new release from Moody Publishers: [Overwhelmed Mom: Quiet the Chaos, Mind What Matters, and Enjoy Your Life Again.](#)

Is there a happy medium between Pinterest perfection and chaos culture?

Moms today are bombarded today with mixed messages. One moment we're told we can do it all, and the next, we're

encouraged to embrace the "Hot Mess Mombie" life. Both extremes—perfection and chaos—leave us feeling exhausted and burdened.

In *Overwhelmed Mom*, Jamie Erickson offers a better way—helping women push back against the weariness epidemic with biblical wisdom and flexible, grace-filled solutions. You'll learn how to adjust your home, schedule, and mindset to find relief and move forward in common stress areas.

This empowering resource equips women to edit their lives with intention, find purpose in the work God has called them to, and create daily rhythms that bring delight, not drudgery. Each chapter ends with reflection questions to help readers break free from the relentless to-do list and reclaim peace.

Author Jamie Erickson is available for interviews. To schedule, please contact [Janis Backing.](#)
