**Live National Broadcast: Sat May 16: Until All Hear**

Mark your calendars to carry *Until All Hear*, a live special program on Saturday, May 16, from 5:00 p.m. to 7:00 p.m. CT.

With more than one-third of the world's population still unreached with the good news of Jesus, this special will share powerful stories of how God is at

work—and how ministries are using innovative strategies to expand the reach of the gospel.

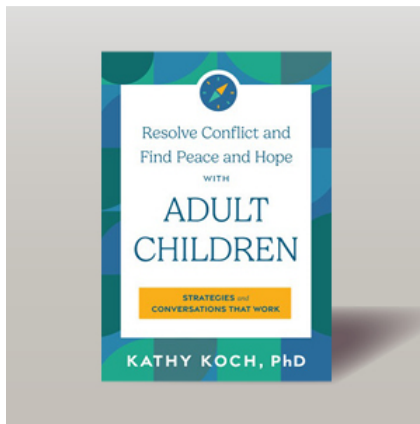

Hosts Ruth Kramer and David Bogosian will speak with guests serving both locally and globally to reach unreached people groups with the hope of Christ.

*Until All Hear* is a collaboration between Moody Radio and the Alliance for the Unreached, in observance of the International Day for the Unreached.

## Fresh off the Press from Moody Publishers

---

Parents often envision close, loving relationships with their children into adulthood. But for many, that's not the reality. Instead, relationships can be marked by tension, grief, and anger.

While many resources focus on raising young children, far fewer address the challenges of parenting adult children.

In the book, *Resolve Conflict and Find Peace and Hope with Adult Children*, Dr. Kathy Koch helps you navigate real pain while learning to love and relate well to your adult children. With biblical insight and proven strategies, it offers a path toward less conflict and more peace.

Kathy Koch is available for interviews. To schedule, please contact [Christianne Debysingh](#).
