Christmas Is Coming Soon!

We know it's only September, but Christmas is on its way! Now is the perfect time to start planning Christmas programming. We're preparing a Christmas catalog full

of specials to help you and your listeners celebrate the season of Christ's birth. Stay tuned for the complete catalog release with all the details.

Your Listeners' Bible Questions—Answered!

Have you added *Bold Steps with Dr. Mark Jobe* to your program schedule yet? Listeners around the world are hearing the good news of the gospel through this program, and their lives are being transformed.

Here's what a few friends have shared:

- **Isaac from Nigeria:** "I am a minister here and always listen to Bold Steps. It has been spiritually enlightening and so helpful for me as I serve."
- **Syrena in Southern California:** "I have a long commute to work each morning, and Bold Steps comes on right at the beginning of it. Pastor Mark, your messages are always a blessing, and your program keeps me going through some really hard times. I've been a Christian for many years, but like a bad starter in a car, have had a hard time going fully forward. I finally, through your encouragement with the Holy Spirit, got baptized!"

This half-hour program takes listeners on the path to freedom and authenticity in Christ. With candid, topical teaching from God's Word, Dr. Jobe offers simple gospel messages with the power to transform. Drawing on decades as a Chicago-based pastor and president of Moody Bible Institute, he brings clear Bible teaching to multiple cultures and generations, including millennial and Gen Z listeners.
