Moody Radio: This Just In ... May 27, 2025

Until All Hear! - Radio Special | Saturday, May 31, 2025

Join hosts Ruth Kramer, Jon Fugler and Marv Newell for an exciting look at how God is drawing Unreached peoples to faith in Jesus Christ! **Until All Hear!** is a collaboration between Moody Radio and the [Alliance for the Unreached](https://www.alliancefortheunreached.org/) in observance of the International Day for the Unreached. With more than one-third of the world's population yet to be exposed to the Good News of Jesus, you'll hear exciting stories of how God is at work — and how ministries are using innovative strategies to advance the reach of the gospel!

Air this live on-air broadcast presentation from Moody Radio (Moody-1) on:

Day: Saturday May 31, 2025

Time: 5:00 - 6:59 p.m. CDT

Length: Two x 59-minute hours

For tech specs and further details please visit:

<https://www.moodyradio.org/stations/affiliate/Programs/seasonal/unreached/>

Clearance: Stations may air this special, but clearance is required.

Please complete the [program clearance form](#) or by e-mailing affiliates@moodyradio.org.

Note: This special preempts the Moody-1 content for the music hours of the Praise & Worship Channel with Donna Leland – Hour II & Hour III on Saturday, May 31.

SES 2 - SES 11 Simulcast Window Closing | May 31

This is a reminder that the SES-2 to SES-11 simulcast period ends on Saturday, May 31, 2025, at 11:59 p.m. ET. At that time, the satellite signal will be downgrading on the SES-2 carrier.

The Tech Specs sheets related to the satellite switch to SES-11 can all be found on the Moody Radio Affiliate “Resources” page at:

<https://www.moodyradio.org/stations/affiliate/resources/>

If you find yourself in a situation where your signal has downgraded and are in need of a quick temporary solution, please feel free to find details on how you can connect to our Moody-1 Emergency Broadcast IP streams at:

<https://www.moodyradio.org/stations/affiliate/alerts/>

(Scroll to the bottom of the “Alerts” page for the Emergency IP stream links.)
