Interview Opportunity: *Marx and Moody* by Erwin W. Lutzer and Gregg Quiggle

Two different belief systems. Two different legacies. Two different destinies. Two very different eternities. *Marx and Moody* is an essential book for our time—contrasting the danger and destruction of Marxism with the power, salvation, and true freedom found in Jesus Christ.

Karl Marx and D. L. Moody both made promises of freedom and a better world. Yet the legacies they left behind are as divergent as night and day. One sought to liberate people but ultimately enslaved them. The other preached forgiveness from sin and pointed people to true freedom in Christ.

Both Erwin Lutzer and Gregg Quiggle are available for interviews. Please email [Christianne Debysingh](mailto:Christianne.Debysingh@moodyradio.org) to schedule.
