This Is Moody Radio: 100 Years of Proclaiming the Gospel

On Tuesday, July 7, Moody Publishers will release a limited-edition book, *This is Moody Radio*, telling the story of Christian broadcasting through the eyes of its pioneers.

Featuring photos, illustrations, timelines, and personal accounts, it offers a compelling look at a century of ministry.

In 1926, Moody Radio aired its first broadcast of live music and Bible teaching in Chicago. The new studio—fueled by a passion for spreading the good news—was followed by decades of innovation. ***This Is Moody Radio*** tells the incredible story of Christian broadcasting through the eyes of its pioneers.

Arranged in short chapters that can be read as one contiguous story, *This Is Moody Radio* is a beautiful visual history—the perfect coffee-table book.

More Releases from Moody Publishers

Check out two new books from Moody Publishers:

Kinda Judgy by Shannon Popkin and **I Don't Have to Hold It All Together** by Nichole Suvar.

Kind Judgy:

Finding Mercy for Myself and Others in Six Stories of the Bible

Judgment. We feel it. Outside and inside the church.

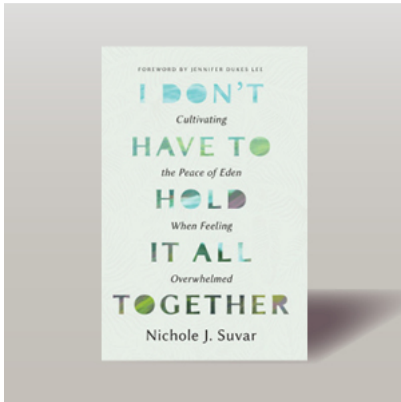

With warmth and wisdom, Shannon Popkin guides us through six Bible stories: Noah, Rahab, Jonah, Simon the Pharisee, the blind man, and the cross. As you step inside each story, you'll discover biblical clarity on judgment and mercy and be moved by what matters to God.

Kinda Judgy reveals how a critical spirit can lead to strained relationships, self-loathing, and shame. Through personal examples, real-life illustrations, and heart-probing questions, Shannon gently challenges and inspires us to think, live, and respond as children of the merciful Judge.

Author Shannon Popkin is available for interviews. Please contact **Christianne Debysingh** to schedule.

Don't Have to Hold It All Together:

Cultivating the Peace of Eden When Feeling Overwhelmed

In the beginning, God poured His love into a garden.

The Bible begins with the story of creation: God builds a beautiful world . . . and a garden. In Eden, creation experienced God's goodness and lived in His perfect peace. Yet since the fall, we've all struggled to find or create our own versions of Eden, chasing peace in all the wrong places.

I Don't Have to Hold It All Together invites you to return to the garden God created, where true peace was designed, and discover how His original plan speaks to your deepest desires. Weaving together personal stories, practical wisdom, and expert insights, Nichole explores truths about communion with God, purpose, community, the goodness of creation, boundaries, true rest, and more.

Author Nichole J. Suvar is available for interviews. Please contact [Janis Backing](#) to schedule.
